1000

This architectural site plan illustrates a residential development layout. The plan includes 27 numbered lots, each with its area in square meters (mq) and square feet (sq. ft.). The lots are arranged in a grid-like fashion, with some larger lots (e.g., LOT 25, LOT 26, LOT 27) and smaller ones (e.g., LOT 21, LOT 22, LOT 23, LOT 24). A central road or driveway runs through the middle of the site, with a circular feature at the top. To the right of the main lot area, there is a parking lot with several spaces, some marked with 'P' and others with 'D'. The plan also shows various setbacks, easements, and section lines labeled 'sez. A', 'sez. C', and 'sez. D'. The overall layout is bounded by a dashed line, and the surrounding area is shown with grey hatching to indicate existing structures or terrain.

Lot Number	Area (mq)	Area (sq. ft.)
LOT 21	1.000	10.764
LOT 22	1.755	18.957
LOT 23	1.755	18.957
LOT 24	1.426	15.385
LOT 25	1.124	12.062
LOT 26	1.770	19.050
LOT 27	1.925	20.830
